To: Dave Bartus/R10/USEPA/US@EPA,

History: This message has been replied to.

From: Brown, Melinda J. (ECY)**Sent:** Friday, November 09, 2007 5:14 PM**To:** Dahl, Suzanne (ECY); Singleton, Deborah (ECY); Ollero, Jennifer (ECY)**Cc:** Bartus, Dave (EPA); Fredenburg, Edward (ECY)**Subject:** CONVERSATION WITH DAVE BARTUS ABOUT IN-TRENCH TREATMENT

Bottom line:

It's illegal under LDR because waste is to be treated BEFORE it is placed in the landfill.

Treating it in-trench would be allowed if the MLLW trenches were land treatment facilities, not land disposal facilities (or under some arcane measures to prevent the waste from touching the land).

Suggestion: Dave will be in next week on Tuesday. Perhaps we should button-hole him then for more discussion.

What do you think?
